

Early Childhood Advocacy Day

Connecticut
Early Childhood
Alliance

This is an opportunity for advocates to reach out to their legislators and let them know not only about the importance of early care and education and its benefits, but also how the current budget crisis is impacting providers' valuable work.

Senate President Donald Williams will read to the children in attendance as part of "Read Across America Day" and will offer remarks to the advocates in the room.

Buses may be available. For more information, contact:
